

Opportunities, found for you.

96%
MATCH

Aspira is your personal scout for scholarships, internships, fellowships and grants. It does the searching, so you don't have to.

NEW MATCH

Undergraduate STEM Scholarship

Fully funded · Due 30 Nov

Quick-start guide · 2 min read

WHAT DOES ASPIRA DO?

Stop searching. Start getting matched.

Great opportunities are scattered across hundreds of websites, and deadlines slip by. Aspira reads the web every day, picks what fits **you**, and sends it to your inbox.

1

Tell us about you

Your field, level, country and the kind of opportunities you want. Write it in your own words.

2

Aspira searches daily

Our AI scans the web for scholarships, internships, fellowships and grants.

3

Matches reach you

Only what fits, with a reason why and the deadline.

Scholarships

Internships

Fellowships

Grants

Competitions

HOW TO USE ASPIRA

Four easy steps. No tech skills needed.

01

Join the waitlist

Tap the button below and add your email.
We'll invite you as soon as your spot opens.

02

Create your account

Open the invite email, confirm your address
and sign in.

03

Describe yourself

Type a few lines about your studies, skills,
goals and location. Aspira does the rest.

04

Check your inbox

Pick daily, twice daily or weekly. Open a
match, read why it fits, and apply before the
deadline.

Your next big break is one tap away.

Free to join. Built for students and young
professionals in Zambia and across Africa.
